Healthy Life Style Course

- 
- A compulsory one-year course for 1st year UGs to learn how to maintain a well-balanced healthy life-style (administered by Student Affairs Office)
 - Students are required to pass 5 modules and accumulate a total of at least 45 course hours in one academic year
 - Our exhibition activities are approved courses under the “Wellness & Personal Enrichment Events” of the Activities Module. Students get credit hours after attending our activities.

Student Curators

“Discovering the Universe” Exhibition:
collaboration with School of Science

Training of Science students as Tour Guides

8 Tours were offered to 86 students of SCIE1000
Selective Activity

Student feedback: Enjoyable, challenging and
interesting; an opportunity to make public
presentation

Most valuable thing learned: to be brave and
relaxed in front of audience, and the experience
itself
